

ABSTRACT OF IDEA OF OUR WEBSITE

OBJECTIVE

The main objective of this project is to explore the beautiful world of web development. The theme of our website is to create an informative website for tourism and travel in Northern India. We will add information related to place's history, famous places to visit, bus stops, restaurants, etc.

IDEA DESCRIPTION

India is a country with deep cultural roots and a rich heritage. A great country for budget travel, India is popular for its forts and palace. Especially, North India is endowed with diverse topography, climatic conditions, and cultural beliefs. The holiest pilgrimage centers of Hindus, the most sacred Buddhist monasteries, revered Sikh Gurudwaras and Islamic mosques co-exist which can give utmost pleasure to tourist.

Tourism website influence tourists' perceptions and impressions, which significantly determines their plan to visit a destination. So, the beauty of the amazing destination, old's traveler experience and itinerary details of particular tour can attract the customers.

In this website, we will provide a good description of destination with photography, hotel and public transport information, and tips on packing and recreational activities. We hope that this travelling website can create a magic for travel agencies.
